EQUIPMENT LEASE AGREEMENT

This Equipment Lease Agreement ("the Agreement") is made this 30 day of June, 2026 (the "Effective Date") between Fearless Leasing, LLC, having an address at 550 Beagle Road, Rockwood, PA 15557 (the "Lessor") and Pumpco, having an address at P.O. Box 742, Giddings, Texas 78942 (the "Lessee").

1. Lease. Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor, the items of personal property of the Lessor (the "Equipment") listed in Schedule B.

2. Term of Lease. The Agreement will begin on the Effective Date and shall continue until all Equipment is returned to Lessor or it is terminated in accordance with this section. The terms ("Initial Term") of the lease for each piece of Equipment are listed in Schedule B. The Lessee will have the option to continue the terms for additional term periods (each a "Renewal Term") (the Initial Term and each applicable Renewal Term will be referred to as the "Term"). Lessor may terminate this Agreement, for any reason or for no reason, by delivering written notice to the Lessee ten (10) days prior to such termination; provided, that if such termination is because of the breach of Lessee, such termination shall be effective immediately. Lessee's obligations shall survive the termination of this Agreement and the return of all Equipment.

3. Rental Charge. The rental payment for the Equipment from Lessee to Lessor will be listed in Schedule B ("Term Rental"), plus shipping (if applicable) and sales tax (if applicable). If the Lessee is approved for credit by Lessor, Lessor shall invoice Lessee for rent and all other charges monthly. If the Lessee is not approved for credit by Lessor, the first payment is due on the execution hereof, and subsequent payments due and payable in advance on the Term Rental anniversary of the Effective Date. Lessee will continue making payments of the Term Rental through the Initial Term and all applicable Renewal Terms. Interest on any past-due payment shall accrue at the rate of 1% per month. Charges for taxes, penalties and interest shall be promptly paid by Lessee when invoiced by Lessor.

4. Use of Equipment. Lessee shall be entitled to use the Equipment for its ordinary purpose provided the Equipment is used and maintained in accordance with the Lessor's Terms and Conditions, specifications and instructions ("Lessor's Specifications") listed in Schedule C, and in accordance with all governmental laws, regulations and requirements, licenses, and all insurance requirements, if any, with respect to the use, maintenance and operation thereof. Lessee will at all times keep the Equipment in Lessee's custody and control. The Equipment shall not be moved from the location of initial delivery without the prior written consent of Lessor, which will not be unreasonably withheld or delayed.

5. Modifications. Lessee shall not make any modifications, additions, or changes in any Equipment except with Lessor's written consent.

6. Maintenance and Repairs. Lessee shall, at its sole expense, keep the Equipment in good working order and condition, perform and pay for all operating and maintenance expenses, and ensure that all necessary repairs and replacements thereto are timely made in accordance with the Lessor's Specifications in Schedule C.

7. Equipment Operation. Lessee shall provide a skilled, or if required by law or regulation, licensed and/or certified operator for the Equipment, who shall be an employee of Lessee or, if Lessee is an individual, may be Lessee (Lessee shall be sole responsible for all wages, taxes, insurance, and benefits related to Lessee's employment of operators).

8. Ownership and Inspection. The Equipment will at all times remain the property of the Lessor. Lessee shall not assign this agreement or any of its rights hereunder or sublease the Equipment without the prior written consent of Lessor. Lessor or its agents shall have free access to the Equipment at all reasonable times and upon reasonable notice for the purpose of inspection and for any other purpose contemplated in this Agreement.

9. Shipping; Installation; Return. Lessee shall be responsible for the initial expense of shipping the Equipment to Lessee. Upon expiration or earlier termination of this Agreement, Lessee shall, at its sole expense, return the Equipment to Lessor (at the location designated by Lessor). To accommodate the return of the Equipment to Lessor, Lessee shall retain a third-party trucking company, which shall be chosen by Lessor at its sole discretion. Lessee is not permitted to use any trucking company that has not been designated by Lessor without Lessor's prior written consent. Lessee shall procure insurance for the delivery and return shipment of the Equipment on terms acceptable to Lessor. Lessee shall bear the risk of loss until Lessor has received the Equipment at the location designated by Lessor for return.

10. Lessor Responsibility. Lessor's sole liability and Lessee's sole remedies in any cause of action based on contract, tort, or otherwise in connection with the Equipment, shall be: (i) if the Equipment is not operational because of any defect in material or workmanship during any Term for more than 24 hours, to issue a credit prorated on an hourly basis based on the applicable rental rate to Lessee for any time during a Term that the Equipment is not operational, provided that Lessor is timely notified that such Equipment is not operational; (ii) replace the Equipment with similar Equipment, subject to availability; or (iii) terminate the rental of the Equipment. In no event shall Lessor be liable to Lessee or any third party for any claims, losses or damages arising from or related to this Agreement or the rental of the Equipment. All insurance policies shall be with carriers acceptable to Lessor. Lessee shall provide Lessor with a certificate of insurance or other evidence acceptable to Lessor of the insurance coverage required by Lessor. Lessee shall comply with all terms of any insurance policy and shall notify Lessor in writing immediately upon the occurrence of any loss, theft, destruction, or damage of any Equipment.

13. Indemnification. Lessee will indemnify and defend Lessor, and Lessor's assigns, against any and all claims, liabilities, losses or damages (whether direct, indirect, special, incidental or consequential) including all court costs and reasonable attorneys' fees, to the extent arising from Lessee's acts or negligence.

The waiver of any breach of any obligation shall not be deemed a waiver of such obligation or of any subsequent breach of the same or any other obligation. The subsequent acceptance of rental payments hereunder by Lessor shall not be deemed a waiver of any prior existing breach by Lessee regardless of Lessor's knowledge of such prior existing breach at the time of acceptance of such rental payments.
